MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: Richard Lehman  
Vice Chairman, National Intelligence Council

SUBJECT: Warning Memoranda

1. Several weeks ago you asked that we send you the NIO's monthly "warning memoranda" in a group, rather than piecemeal. The July set is attached. Henceforth you will receive these every month from Fred Hutchinson, who is now serving as the National Intelligence Officer for Warning.

2. You should bear in mind that these memoranda are not intended to convey warning. Rather, they are to give you a sense of what the NIO's perceive to be clouds on the horizon -- next fall's potential crises or next year's.
